

#MothsToAFlame

Transform a plastic milk bottle into moths, then send them to us to be added to the mass-participation UV illuminated art installation heading to Glasgow for the UN Climate Conference, COP26 (November 2021).

For more info check out and an instruction video visit www.artandenergy.org/makemoths

Post your moths to **Art & Energy, The Plot, 80-84 Union Street, Plymouth, UK, PL1 3EZ**

Join the **#MothsToAFlame** project to send your whisper of hope to world leaders at COP26.
